Dear Parents,

Many of you will be aware we have been using “**The Life to the Full**” programme to teach Relationships and Sex Education (RSE), Personal, Social, Health and Economic Education (PSHE) as well as Celebration of the Word since January 2021.

Life to the Full is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers. The “Life to the Full” programme fully supports catholic values and teaching.

In addition there is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: **www.tentenresources.co.uk/parent-portal**
