We hope you enjoy sharing the Bible Scripture together with your child.

Cancelled Medical Appointments

If you have informed the office that your child has a medical appointment, so they will either be arriving late to school or will be leaving during the school day, please can we ask that you inform the school if the appointment is cancelled.

This will save us time checking on your child in the morning registers and collecting them early from their classrooms if we no longer need to do so.

Thank you.

Parking

Our new friends were out on Wingfield Road this week for school pick up today alongside our lovely crossing patrol lady Lala.

Thank you for helping to make it safer for our children.

Parking at the Beginning and End of the School Day

We have received a phone call from a very irate resident in Swallow Drive complaining about the cars parked in her road at both the beginning and end of the school day.

She was unable to get onto her driveway in the afternoon and was verbally abused by a parent who refused to move their vehicle to enable her to do so.

Yellow lines have been painted on the road but these are being ignored.

Please be mindful where you park and respect the residents in the neighbouring roads. Driveways should not be blocked, nor parking on private grass and causing an obstruction to others.

We know you only park for a short period of time, but this is causing distress to local residents. Thank you for your consideration.
